What time does
the gym get busy
again?

Hmmm I don't want
to walk over just to
see if the gym is
busy.

3:44 pm

$$E=mc^2$$

I guess I'll
just go after
class.

$$E=mc^2$$

Wait, why don't I
just use the new
app to see how
busy it is!

The Gym is currently:
Very Busy
Count: 65 People
